Swift’s Creek Tennis Club AGM  
Thursday the 17th November at Tennis Club rooms. Any players interested in playing this year please make contact with Annie Richardson 0408 523 498

3/4 Lakewood Camp  
A very big thank you to Ray, Beau and Sally for their help on the 3/4 camp. We had a fantastic time and the kids were a credit to our schools. We have a full report and photos for the end of month newsheet. Thanks to everyone involved.  
Susie Grinter, 3/4 Teacher

Tambo Campus subject selections for 2012  
Students who will be in Years 8, 9 or 10 next year are currently completing their selections for the Applied Learning subjects (the subjects that used to be known as electives). The Applied Learning subjects being offered in 2012 are: Outdoor Education, Art, Wood Technology, Food Technology, Textiles, Media, Sport, Music Studies and Drama. The selection sheet students have been given includes a brief outline of the content and purpose of each of these. The subjects which actually run next year will be determined by students’ needs and preferences. The selection sheet needs to be returned to school by this Friday November 18th. Students who will be undertaking VCE and/or VET subjects next year have already received letters confirming their chosen course content. Any students still considering changes to this need to see me as soon as possible.  
Barbara Napthine, Assistant Principal

Schools as Hubs-Tips to help reluctant readers:  
- Choose stories that relate to subjects that your child is interested in such as animals, farms, trucks and cars, or space, which could be in a book, comic, newspaper or magazine.  
- Ask your child to read the instructions for games and appliances such as how to operate the DVD player or how to assemble building kit toys.
