Reading Tips
There are lots of simple actions you can take to help instil a love of reading in your child. Listen to stories learned by heart and encourage your child to re-tell them in their own words, or even act them out. Buy books as presents instead of toys. Set up a special place for books from the library or their own books.

Swifts Creek Midget Netball Training is on Thursday March 1st at 3.30pm-4.30 pm at the Swifts Creek Recreation Reserve. All interested players to attend or let me know otherwise. Thanks Belinda Neville Ph 0427444493

Student Delegates- Flagstaff Campus
On March the 9th at 9.00am we will be having election speeches for those students who wish to nominate to become a Student Delegate. We have investigated the qualities of a leader in class and students have worked on persuasive texts for their election speeches. We have emphasised all students in the 5/6 act as leaders, but some will be elected to represent this campus by their peers.
We encourage parents to attend assembly on the 9th of March in support of all students.

Prep,1 & 2 Parents
We would like to let all parents from the P, 1 & 2 classroom know that we now have the plastic hole punched pencil cases available for sale at $3.50 ea. It is really helpful for each student to have one of these. Please send a note and money to school if you would like your child to have one.
