Sleep and School-aged Children
Given the fact that time together for so many households starts at around 6 or 7 o’clock or even later in the evening on a school night, it can be tough to set an early bedtime. And since experts say school-age children roughly need about ten hours of sleep – which means they need to go to bed around 8 or 9 o’clock -- that doesn’t leave much time for anything besides dinner, homework and reading one short book chapter together.
But it can be particularly important for school students to get enough shut-eye.
Try this tip to help your child sleep well: **Keep their room comfortable for sleeping.**
Bedrooms that are quiet, dark and cool are optimal for a good night’s rest.

Purple Day
Due to a change in date for the Interschool Volleyball and Tennis to Monday 26th March the ‘Purple Day” has now been rescheduled to Tuesday 27th March.

Parent Lunch
If you are planning to attend the parent lunch at the Albion Hotel on Wednesday 21st March, please give Sarah a call on 5159 4267 or Rowena on 5159 4323.

Cricket Clinic
Next Wednesday 21st of March we have been offered the opportunity to participate in a cricket clinic run by members of the Bruthen Cricket Club. John Harmer, ex- Australian women’s cricket coach, will be running the clinic. We have put aside 3.30 until 4.30 in Active After school time for students from P-6, and 4.30 until 5.30 for students 7-12. This will be run at the nets at the Tambo campus. Please contact Mrs Grinter if you are interested in coming.

ICAS tests
These tests are conducted by the Uni of NSW as international competitions. Students who participate receive certificates and an analysis of their results. Each test costs between $6 and $12 to enter.
If you would like your child to compete in either computer skills, science, writing, spelling, English or mathematics please call Sarah at Flagstaff Campus on 51594267.
