Active After School

Today is the last day of the Active After School program for the year. Thank you to all the participants who came along and had fun. Well done to our coaches Mrs Grinter, Richard Crabtree, Bonnie Fitzpatrick, Sarah O’Brien, and Josh Tocknell for their co-operation and efforts in a wide range of activities for the children.

Rewards day Term 4

As a reward for the hard work and effort students have put into their learning in term 4 we have organised a swimming activity and BBQ lunch for the students at Flagstaff Campus on Monday 17th December. This will take place from 1.00-3.15. The BBQ lunch is being supported by the Swifts Creek School Parents’ Group. If you are able to assist with cooking the BBQ please let us know. Please ensure your child brings their swimming gear in so they can fully participate in this event.

Celebration Night

We hope to see all parents and students at our fabulous Celebration Night next Wednesday December 19th.

Starting at 6pm, the Flagstaff students will entertain us with a series of performances, songs, a slideshow and even a special visitor.

Everyone is then welcome to enjoy a free meal while watching the Year 8’s spectacular circus show.

At 8pm we will commence the Tambo campus celebrations. Our student hosts will lead us through award presentations for academic, sporting and other extra curricular achievements, and celebrations of a range of student endeavours and different learning experiences. There will be more music and more slideshows, and a final farewell to our Year 12 students of 2012.

Parents and families are welcome to attend all or part of the evening. This is a great way to finish the school year, and is a night for everyone to enjoy.

Dinner Plain Carols

People wishing to book a seat on the bus that leaves from Omeo on December 21st, please contact the Flagstaff Campus. Choir members and their parents will be given priority, but after that seats will be allocated on a first-come, first-served basis.

Old Furniture for VCE Common Room

The VCE Common Room – P0 – is a place that our senior students are able to make their own, where they can work, relax, and socialise out of class time. It is an important space for the students on their path towards an independent adult life. Being a mixed use space, this room has a mixture of classroom style desks and chairs for work, and soft furniture to relax on.

The current soft furniture has had many years of use now and is at the stage where it badly needs replacing. We would be interested to hear from anyone who may have items of furniture such as old lounge suites or comfortable chairs that they may be willing to donate for this room. The furniture does not have to be in perfect condition, or be particularly modern or stylish, but safe and relatively clean is a positive.

If you can help out by giving a new life to your old furniture we’d be happy to hear from you, and the VCE students for years to come will be most grateful. We can arrange a pickup if necessary.
