Principal’s message
Great to see our senior student through their exam period and the Year 10s out on Work Experience. The next exciting bit of course is reports, staff are working on these, we are looking to get them distributed late next week.

Students please do not touch the king parrots dead or alive. We respect all wildlife.

Outdoor Education Years 8-10
Unfortunately we have had to cancel the Outdoor Ed caving trip to Buchan this week. We apologise but the weather has really been against us. If you have paid for this trip, you will receive a credit on your account. Thank you for your understanding.

Netball - Primary
The Year 5/6 Primary netball will go ahead at the WORLD netball courts Bairnsdale, this Friday 20th of June. We already have notes from last week when this was postponed. If you are meeting the bus, it will be at Omeo PS at 8.00 am and Swifts Creek Flagstaff campus at 8.30. We will be back in school time at the end of the day. Please see Mrs Grinter for any change of arrangements before Friday.

Soccer and Netball - Secondary
Our winter sports competition which involved our Year 7/8 soccer and netball teams and our senior boys’ netball, in Bairnsdale, was cancelled this week due to wet weather. The outcome from this is that our 7/8 soccer team will still play next Tuesday 25th of June. The two netball teams will not play due to numbers. We will use the same notes as were filled out for last week.
Active After School
AAS has started on Mondays and Wednesdays. This term the program will be facilitated Nick Tait. Please fill in the after school arrangement form. This will ensure children are sent to the correct location after school. The form was sent home last week.

Interstate Trip for Years 7-12
Recently we called for expressions of interest in a trip to Central Australia. We have had some replies, but unfortunately not enough to allow this trip to go ahead. We are now considering a shorter, cheaper alternative trip, to Tasmania. This trip will be 5 or 6 days at a maximum cost of $500.00. We would hope to be able to reduce this cost but it is largely dependent on numbers.

We need to find out the level of interest in this option, so please complete and return this slip by Friday June 21st.

My child / children ................................................................. are interested in a trip to Tasmania.

I am willing to pay up to $500.00 for the trip.
