Active After School
Parent consent forms have been sent home to students attending Active After School. These forms need to be signed by parents and brought back to school as soon as possible please.

As the weather has started to cool we will no longer be swimming on Mondays. Ball games, target games, striking and fielding will replace swimming starting this Monday 17th March.

Thank you to all students participating. I hope you are enjoying the program as much as I am.

Sarah Gill
AAS Coordinator.

P-6 Triathlon
Flagstaff Campus Triathlon will be held Friday 14th of March starting at 9.30am. The Triathlon requires the children to swim a distance appropriate to their age, run from the swimming pool across the Tambo bridge and then ride a bike along East Road, finishing at Negoura turn off.

Year Prep and One students are welcome to join in but need a parent to accompany them.

We need some parent helpers to be stationed along the route and to organise the finish. Please let Raymond know at Flagstaff Campus if you can help.

Prep, One and Two
Those students who need a pencil case to keep their reader safe in their reading folder can now purchase one from school. These cost $4. We also have some small pencil cases made out of wet-suit type material for those who missed out on book collection day. These are $6.

A number of Prep children still don’t have chair bags. These can be purchased from the Great Alpine Gallery or Spotlight or patterns are available for those who have sewing talent.

Any enquiries please see Mr G.

Lunch Orders
Lunch Orders are available from Swifts Creek Bakery at Tambo Campus Monday to Fridays and Flagstaff Campus Mondays and Fridays only.

Please see attached lunch order form for prices and product list.
Parents’ Group

It’s that time again when we are looking for helpers to work at the Tambo Valley Races. We are a gender inclusive organisation and we are seeking more support for this major fundraiser. So if you are going to the races, one hour of your time would be greatly appreciated. It is quite a social day even if you’re working, so please consider coming along and helping. I am sure the patrons would like to see some fresh faces. Your kindness will bring joy to all the students at school, including yours.

Please contact Kathy Gallagher

Reading Tips

Picture This!

During your next outing or gathering, take action-packed photos, then have your child create captions to go with each picture. Assemble the pictures and captions in a picture book or album, and add speech and thought bubbles to create a personalized — and probably hysterical — graphic novel.

Flagstaff Library

This term has seen volunteer parents helping out in the Flagstaff Library, covering books and organizing the Library. This work is greatly appreciated. Thank you.

Swifts Creek Football/Netball Club

Training for Midgets will start on Monday 24th of March at 3.45pm. Please inform the school of your after school arrangements.
